10) Discuss about the Style of Leadership.

A) Leadership Styles are varied and can significantly impact how teams function and achieve their goals.

- Autocratic Leadership.
- Democratic Leadership.
- Transformational Leadership.
- Transactional Leadership.
- Servant Leadership.
- Laissez-Passe Leadership
- Situational Leadership

Each Style has its strengths and weakness, and Effective Leaders often blend different approaches depending on the situation and the individuals they are leading. The choice of Leadership style can greatly influence team dynamics, productivity and overall success.

→ A Leadership style refers to a leader's methods, characteristics, and behaviours when directing, motivating and managing their teams. A leader's style is shaped by a variety of factors, including personality, values, skills and experience, and can have significant impact on the effectiveness of their leadership.
